HOW WE SHIP HYBRID CORN

All Hybrid Seed Corn is shipped freight collect. You pay only the actual freight or transportation charges.

Did You Ever Think About This?

This is a fact—we offer to save you the dealer's commission. No one is justified in claiming to have the best corn on the market so we don't claim it. Our corn is as good and will hold its own in competition with any other brand. It will be on top as often as any other single variety. Because we eliminate commissions, Gurney's Golden Hybrids sell for 2.50 to 3.00 per bushel less. This is a fact—not a claim.

WHY PAY MORE?

You can pay more for seed corn than we charge, but if you do, the extra money won't get you any better seed corn. We don't have any dealers so there is no commission to pay. But the corn is first class. Try it and see for yourself as thousands of others have.

No Other Shade Tree Can Match
These Truly Amazing Features

EXTREMELY FAST GROWTH—Imagine a growth of from 8 to 14 ft. in just one short growing season. This isn't uncommon at all. You really get shade in a hurry with Gurney's Hybrid Elm.

DISEASE RESISTANT—Gurney's Hybrid Elms have never been known to be bothered by the dreaded Dutch Elm disease. This is important to all planters everywhere.

HARDWOOD—LONG LIFE—Many believe, because the Hybrid Elm grows so fast, it is a soft wood tree. This is not true. Not only are Gurney's Hybrid Elms a hardwood tree but they are long-lived too.

HANDSOME SHAPE—One of the outstanding features of Gurney's amazing Hybrid Elm is its beautiful shape. It grows as symmetrical as any deciduous shade tree we have ever seen.

FILTERED SHADE—This is important if you expect to raise a nice lawn beneath your shade tree. The Hybrid Elm has a large leaf yet it is not so dense that the sun can't get through to the grass.

SEE FOR YOURSELF
HOW IT GROWS

This picture shows Dr. D. B. Reaney of Yankton standing by his Gurney Hybrid Elm. It was 5 ft. tall when planted in June of 1957. The picture was taken in September of 1958. The Doctor stands about 6 ft. tall.
